Background/Supporting Information Attached:

Hennepin County Medical Center, Emergency Medical Service instructors have provided excellent EMS training to all fire personnel for several years now, and we would like to continue on with their services.

A new contract was initiated with HCMC beginning July of 2001 through June of 2002, and was City Council approved last year for its first year of extention. The contract agreement allows the City the sole option to extend the agreement for up to four, one year extensions. This request is for the second year of agreement extensions.

Hennepin County Medical Center has requested to renew the agreement for another year, with the only change being an increase of \$17,772 to cover their increased cost for salaries and health care reimbursements.

Assistant City Attorney Joel Fussy has reviewed the original contract, and has prepared an amendment to renew this contract for a second year, at the revised rate. Upon City Council approval and authorization, we will be ready to move forward with the amended agreement.

Attached is a copy of the letter requesting renewal from HCMC, and a copy of the proposed amended agreement.
